

Senior Grocery Pick Up Program

Since the coronavirus quarantine regulations have kicked in, residents have been flocking to grocery stores and buying food, water, and toilet paper in numerous quantities. A trip to the grocery store is becoming more and more challenging, especially for those without proper support. Senior Citizens who need these supplies are finding it hard to access these resources.

The Hawthorne Recreation & Community Services Department have taken the extra step by creating a COVID-19 Senior Outreach Program.

We will pick up online shopping orders up to 20 items which can include basic foods, household goods, and essential hygiene items from stores listed below.

Pick-ups will be done on Wednesdays and Thursdays from 9AM - 1PM and will be delivered to the designated resident.

Requirements..

- Must be 55 years of age or older
- Must be a Hawthorne resident
- Online or over the phone registration (cityofhawthorne.org)
